- involve major disturbance to any land or waters concerned or create rights whose exercise is likely to involve major disturbance to any land or waters concerned.

In accordance with section 29(4)(a) of the NTA DMPE hereby advises that the "notification day" is **8 October 2025**.

Under section 30(1)(a) of the NTA, any person who is a registered native title claimant in relation to any of the land and/or waters that will be affected by the act becomes a native title party and is entitled to procedural rights in accordance with the NTA. A native title party may, within the period of four months after the notification day lodge an objection with the National Native Title Tribunal (NNTT) against the inclusion of the expedited statement in the notice. The four-month period closes on **8 February 2026**.

The NNTT will in due course advise the parties as to whether a native title party has lodged an objection to the expedited procedure within the four-month period.

If no objection is lodged then the lease/licence application can be granted. If an objection is lodged the NNTT will hold an inquiry to determine whether the act is an act attracting the expedited procedure. In the latter event the NNTT will advise you of the procedures that must be followed by the parties.
