Subject: *Courtesy Notice – Exploration Licence Application E36/1130*

Dear Sir/Madam,

I am writing on behalf of Workhorse Exploration Pty Ltd to provide a courtesy notice that we have lodged an application for Exploration Licence E 36/1130 with the Department of Mines, Industry Regulation and Safety (DMIRS) on 14th January 2026.

We understand that this application overlaps the Native Title claim area represented by Goldfields Native Title Services Goldfields, PO Box 464, West Perth WA 6872, being the Representative Aboriginal/Torres Strait Islander Body for the relevant area.

At this stage, proposed exploration activities are limited to desktop geological studies only, and no ground-disturbing works are planned. Should future activities require site access or the submission of a Program of Work (PoW), consultation will be undertaken with Goldfields Native Title Services Goldfields, PO Box 464, West Perth WA 6872, in accordance with the Mining Act 1978 (WA) and the Native Title Act 1993 (Cth).

We would welcome the opportunity to begin discussions early and respectfully explore any heritage protocols, agreements, or expectations your Corporation may have in place.

Please don't hesitate to contact us should you require further information or wish to discuss this application.

Thank you for your attention to this matter.

Kind regards,

Anthony Lipari
