In accordance with Section 24MD(6B)(d) any registered native title claimant or registered native title body corporate may object within two months of notification, to the grant of the licence/lease by **1 July 2026** so far as it affects their registered native title rights and interests in relation to land or waters to which the lease/licence relates.

The licence/lease applicant must consult any registered native title claimants and native title bodies corporate who object, about ways of minimising the impact of the grant of the licence/lease on registered native title rights and interests in relation to the land or waters. If relevant the applicant must also consult about any access to the land or the way in which anything authorised by the grant of the lease/licence might be done.
